Comprehending as without difficulty as union even more than new will present each success. next to, the declaration as without difficulty as insight of this heart of the matter daily reflections for changing hearts and lives can be taken as with ease as picked to act.

Heart of the Matter - Christian Counseling & Educational Foundation (CCEF) 2012-10-01 Start a Year of Deep-Down Change Today! Change that goes deeper than the surface of our lives happens as we daily remember the truths of the gospel. Every day we need to be reminded that Jesus, God’s own Son, came to this world to save us from sin, sorrow, and death. We need to remember every day how Jesus’ life, death, resurrection, ascension, and promised return change the way we view ourselves and others. This devotional will be a daily reminder of these life-changing truths. The 366 selections, anchored in Scripture and saturated with the gospel, will help the reader to: Learn how God in his Word addresses a host of life situations Focus on how the gospel intersects with life Look beyond circumstances to God’s purposes See how God values relationship and to learn to value it too by persisting, by speaking truth in love, and by not shying away from conflict Grow in wisdom when confronted by life’s changes. Learn that God works change that is effective and visible. Topics covered in the devotional include: love, hope, grace, redemption, faith, contentment, conflict, relationships, prayer, fear, patience, humility, and anger.

The Heart of the Matter - Douglas Westveer 2009-08-01 If you're browsing through The Heart of the Matter, the threat of cardiac disease is lurking in your mind, and with good reason. Although national programs to contain this killer are highly successful and ahead of schedule, heart disease remains highly prevalent and deadly. Medical research during the last 15 years has successfully defined many treatment strategies that work, and many that don't. Your task is not to understand this mountain of information, but to know the critical questions to ask your doctor when you are in trouble. The Heart of the Matter will highlight for you the right questions to ask after your heart attack, or if you're afflicted by hypertension, high cholesterol, or heart failure. Before you need a pacemaker, defibrillator, heart surgery, or angioplasty, the right questions need to be asked, and you'll find out why they're important. Take advantage of all of the recent research and years of clinical experience by the authors in managing heart disease.

The Heart of the Matter - Bob Edwards 2002-07 Psychiatrist and Holocaust survivor Viktor Frankl said, "Man's search for meaning is the primary motivation in his life." Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning. Physicist Steven Weinberg said, "The more the universe seems comprehensible, the more it also seems pointless." Many people hold the material and meaningful perspectives separate in their minds, in a state of uneasy truce. The Heart of the Matter: A Case for Meaning in a Material World tells us that this split vision is not necessary, and shows us how the two views can be harmonized to give depth to our picture of the world. It
looks at current scientific observations from astronomy, biology and physics, as well as insights from mathematics, philosophy, psychology and religion. We are left with a sense of wonder at both the mechanics and the values of the world, the "how" and the "why" of events. This book will appeal to everyone fascinated by how our world works, and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives, and to our world.

The Heart of the Matter - Peter Pugh 2015-09-17 Papworth Hospital in Cambridgeshire, founded in 1916 to tackle the great killer disease of tuberculosis, is famous for carrying out the UK’s first heart transplant operation in 1979. It followed this up not only with many other heart transplants but also with the UK’s first heart and lung operation in 1984 and the world’s first heart, lung and liver transplant in 1986. With unique access to Papworth’s archives, historian Peter Pugh here tells the story of this ground-breaking hospital for the first time. Alongside the background to that first UK heart transplant – and the ethical controversies that surrounded it – Pugh explores the opposition to heart operations in general, Papworth’s difficulties dealing with NHS authorities especially over funding, and the discussions for over 50 years as to whether the hospital should move alongside Addenbrooke’s hospital in Cambridge. As an insight into the history of medicine and surgery in the UK, as well as a story literally of life and death, The Heart of the Matter will be compelling reading.

The Heart of the Matter - Felicia Wade 2006-04 What is the legacy of health that we are leaving for our families and children? The heart of the matter is that we owe it to God to take care of the temple that He gave us. Reading this book is just the beginning, putting it into practice is the next step, allowing God to change your heart and mind through to commit to health.

Heart of the Matter - Linda Austin 2003-05-06 Why is it that love seems to come easily to some people and not to others? In her first book, What’s Holding You Back? Eight Critical Choices for Women’s Success, Dr. Linda Austin explored the “psychological glass ceiling,” the emotional barriers that keep women from achieving career success. This book is about a different kind of inner glass ceiling: the one that holds you back from the heights of great love. Dr. Austin is convinced that there’s nothing fundamentally wrong with those who have difficulty finding and keeping love; BUT there may be specific behaviors that you engage in -- and specific behaviors that you do not engage in -- that have a profound impact on whether you find and keep love. The good news? Those behaviors can be learned, practiced, and eventually incorporated into your personality. Dr. Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want. And in this perceptive, highly original book, she identifies the five core behaviors that determine your ability to have successful, loving relationships, as well as the patterns of behavior that can subtly sabotage those efforts. The Core Behaviors 1. Engage with the World around You 2. Evaluate the Choices You Make for Love 3. Expand Your Safety Zone 4. Establish Emotional Independence 5. Evolve Consciously, Willfully, Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty. It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life -- and most important of all, it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much. Heart of the Matter reflects Dr. Linda Austin’s twenty-five years as a psychiatrist, assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships. Pragmatic and sensible, this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors. So whether you’re currently in a relationship, or it’s been so long since you’ve dated that you think “seeing someone” refers to a psychiatrist, Heart of the Matter can help you move toward that healthy, loving relationship you want -- and so richly deserve.

The Heart of the Matter - Linda Amara 2021-10-14 Have you ever wanted to be free from the punishing mindset of diet and exercise and simply learn how to eat and exercise to give your body what it needs to function best? To be free from stress eating or comfort eating? Food has so many emotional connections to the choices we make. We respond to stress, celebration,
comfort, loneliness, fear, and so many other feelings with food. As we come to a deeper revelation of the unconditional, unstoppable love of the Father, renew our mind with the word of God, and replace those areas in our heart that used to be medicated by food or a workout, we can be set free from a cycle of dieting, losing weight, and then back to eating a bag of cookies when stressful situations arise. Instead, we will learn to run to the One who is our Comforter, our strength, our peace, and the lover of our soul. His name is Jesus! It is my sincere desire that as you take this thirty-day journey of health and fitness that you would get to know how precious, valuable, and beautiful you are to the One who knows you completely, loves you unconditionally, and wants you to have life to the fullest!

At the Heart of the Matter - Dr. Eboni Ivory Green 2011-05-11 Caregivers have unique needs as they provide support and care for their loved ones. At the Heart of the Matter ultimately enables caregivers to look at ways to better care for themselves and enhance their wellness while providing care for a loved one. At the Heart of the Matter affords the caregiver an opportunity to personalize his or her caregiving journey based on their individual needs. Special features included: • Famous quotes: offering inspiration and hope to ease the turbulence often experienced during the complex matter of providing care for a sick or disabled loved one. • Points to ponder: caregivers are guided through the spiritual journey as they are prompted to address questions at the end of each chapter. • Assessments: to take a closer look at spiritual strengths, find out what best interests individual caregivers and what strategies individuals feel most comfortable with when it comes to assisting a loved one or client. • Poems and interesting stories: each chapter begins with a short story or poem, which sets the tone for the spiritual journey and offers food for thought. • Concise chapters: many caregivers do not have much free time. The chapters in this book are concise so even caregivers with limited time have the opportunity to focus on how to continue to support a loved one while practicing the art of self-care.

Getting to the Heart of the Matter - Catherine Plano 2017-01-06 Our minds and hearts are the most powerful parts of our bodies. But in a world that is now more focused on being busy than being present, it can be challenging to take ownership of our hopes and fears, find a connection between our heart and mind, and shed limiting beliefs that keep us from achieving what we want in life. In Getting to the Heart of the Matter, international coach Catherine Plano shares tips and tools that will help women better understand themselves and ultimately connect their thoughts with deep desires. Catherine Plano relies on over two decades of experience as a transformation coach to share step-by-step guidance that leads women to move past roadblocks, tap into creativity, and embark on a path to a new beginning. Change seekers will learn how to: transform a passion into a career; discover meaning in life and work; develop powerful leadership skills; revitalize creativity and productivity; overcome procrastination and bad habits; boost income by conquering money blocks; achieve better quality of life; and improve personal and professional relationships. Getting to the Heart of the Matter is a guide to total transformation that encourages women to design a fulfilling future, achieve goals, navigate life changes, and develop creative strategies that make dreams come true.

The Heart of the Matter - 2004 Skilled in peace gifted with war the land of the fabled North East holds its secrets but for the fortunate few & Here are some of the stories from the land of storytellers -- Meghalaya, Manipur, Mizoram, Assam and Nagaland

The Heart of the Matter - George E. Thompson 2017-01-20 The Heart of the Matter does not dance around the fringes of acceptable religion nor is it limited by traditional church thinking. Rather, it peels away the many layers of conventional thought to get down to bedrock truth concerning Christianity and living the Christian life. However, in so doing, it carefully adheres to the absolute truth and authority of scripture. The book puts into perspective who God is and his overall plan for creation and eternal fellowship with his bride. It delves into how each person fits into that plan, offering considerable detail concerning the many issues in establishing a deep relationship with God. Much is said about the biblical significance and importance of maintaining such a close, intimate relationship that God not only demands but earnestly desires. Many practical guidelines are presented regarding God’s design for our lives here on earth—what he would have us think, say, and do; that we are to continue growing; how to...
deal with gut-wrenching adversity; and that whatever we do is to be for his glory.

The Heart of the Matter - Ian Smillie 2000 How diamonds have been the cause of widespread death, misery, & destruction for almost a decade in the West African country of Sierra Leone. Through the 1990s, Sierra Leone's rebel war became a tragedy of major humanitarian, political & historic proportions, but the story goes back 60 years, to the discovery of the diamonds. The diamond mining sector has become influenced by organized crime & by the smuggling not just of diamonds, but of guns & drugs, & by vast sums of money in search of a laundry. No peace agree. would be sustainable until the problems of mining & selling diamonds had been addressed, both inside Sierra Leone & internationally. Tables.

Getting to the Heart of the Matter - Carl Levin 2021-03-02 Former senator Carl Levin’s memoir is a demonstration of the value of pragmatism, empathy, and compromise.

Singapore Perspectives 2009: The Heart Of The Matter - Tarn How Tan 2009-06-02 The Singapore Perspectives series is a yearly publication that provides critical analysis of emerging trends and issues Singapore faces in terms of social, economic and political development. It is a quick and essential reference for understanding the broad policy discussions that animate thought leaders, policy-makers and the public in the country during the immediate period or that are likely to do so in the short and medium term. In this volume, contributors take an in-depth look at four topics of pertinent interest to Singapore’s mid- to long-term future and offer some radical ideas for Singaporeans’ consideration. They are: Can Singaporeans Afford a High-Cost Singapore?; Can Singaporeans Remain Rooted?; Can Singapore Preserve Its Hub Status?; Can Government Do Less, and Singaporeans More? Contributors include Member of Parliament Inderjit Singh, playwright and law academic Eleanor Wong and former president of the Law Society of Singapore Philip Jeyaretnam. Co-published by the think-tank, the Institute of Policy Studies, Singapore, this is a useful publication for those with an interest in understanding the governance challenges facing a small, highly globalised economy and nation-state, or those who want a quick feel of the pulse of Singapore.

Heart Of The Matter - Raynetta Manees 2002-01-01 The newly elected Mayor of Passion comes into conflict with the handsome Chief of Police as they are drawn into a perilous investigation - and dangerous desire - in the suspenseful new romance from the author whose work has been called ‘delightful’ and ‘unforgettable’ by the Romantic Times.

Heart of the Matter - Hilton M. Hudson 2008 The revised edition of this bestselling book primarily for African Americans will contain the most cutting-edge information on cardiovascular disease, blood lipids, stroke, and medications and therapies available. It will contain a chapter specifically for women including how to recognize signs and symptoms.

The Heart Of The Matter - Rick Baldacci 2006-03-13 This book is about a journey of a person looking for the heart of the matter of life. It is a story of a person who found welled up in his soul the residue of one emotional event after another. With the help and encouragement of some very special and gifted teachers, he endeavored to learn how to release those emotions by putting them into word paintings. Day to day activities fill the pages of our lives; however, it is the poignant events that turn them. Because these events hold such hallowed ground, they are easily resurrected. They come dressed in the same images of the past and rekindle many of the feelings last remembered. Some are warm comforting “reunions,” welcomed home as one would welcome a friend. Others remain the sobering reminders they always were. A special few are as painfully sore as the day they happened. They are hard to relive, harder to forget, and are the hardest to share. Nevertheless, they are permanently inscribed on the walls of our souls and play a significant role in the sum of who we are. This book is a gallery of emotions that began in a young heart, and grew as life and his many experiences marched onward. It is a look back and a look forward. It is also a realization that there is an answer to the question, “What really lies at the
Heart of the Matter

-Emily Giffin 2010-05-11

"Giffin excels at creating complex characters and stories that ask us to explore what we really want from our lives."--Atlanta Journal-Constitution

Tessa Russo is the mother of two young children and the wife of a renowned pediatric surgeon. Despite her own mother's warnings, Tessa has recently given up her career to focus on her family and the pursuit of domestic happiness. From the outside, she seems destined to live a charmed life. Valerie Anderson is an attorney and single mother to six-year-old Charlie—a boy who has never known his father. After too many disappointments, she has given up on romance—and even to some degree, friendships—believing that it is always safer not to expect too much. Although both women live in the same Boston suburb, the two have relatively little in common aside from a fierce love for their children. But one night, a tragic accident causes their lives to converge in ways no one could have imagined. In alternating, pitch-perfect points of view, Emily Giffin’s Heart of the Matter creates a moving, luminous story of good people caught in untenable circumstances. Each being tested in ways they never thought possible. Each questioning everything they once believed. And each ultimately discovering what truly matters most.

The Heart of the Matter

-Graham Greene 2018-04-10

“From first page to last . . . an engrossing novel” of betrayal and espionage on a colonial outpost during World War II (The New York Times). In a British colony in West Africa, Henry Scobie is a pious and righteous man of modest means enlisted with securing borders. But when he’s passed over for a promotion as commissioner of police, the humiliation hits hardest for his wife, Louise. Already oppressed by the appalling climate, frustrated in a loveless marriage, and belittled by the wives of more privileged officers, Louise wants out. Feeling responsible for her unhappiness, Henry decides against his better judgment to accept a loan from a black marketeer to secure Louise’s passage. It’s just a single indiscretion, yet for Henry it precipitates a rapid fall from grace as one moral compromise after another leads him into a web of blackmail, adultery, and murder. And for a devout man like Henry, there may be nothing left but damnation. Drawn from Graham Greene’s own experiences as a British intelligence officer in Sierra Leone, The Heart of the Matter is “a powerful, deep-striking novel . . . of a spirit lost in the darkness of the flesh” (New York Herald Tribune).

Bullet to the Heart of the Matter

-Veronica Ross Holley 2012-02

When drop-dead gorgeous Victor walks into a room, the air changes. He is every woman’s man—and he knows it. Unfortunately, his charisma does not prevent him from carrying the weight of the world on his two broad shoulders. No one really knows Victor, including himself. Victor has always had a way with women. When he runs into Priscilla Freeman late one night in a local bar, he woos her straight into bed, not realizing that she thinks she has just found Mr. Right. Her biological clock is ticking, and she wants a baby more than anything. But what she does not know is that Victor is hiding a monumental secret that may just prevent him from ever becoming the man she wants him to be. Despite Victor's long absences away from her life, Priscilla soon discovers her dream has come true—she is pregnant with his baby. Nine months later, Lil Victor is born—and his father still has no idea he has a son. In this compelling tale lust, love, and lies surround a man who realizes that he must reconcile with his past in order to move forward into the future to become the man—and father—he has always wanted to be.

Daily Strength for Men

-Chris Bolinger 2018-11-06

The LORD is my strength and my shield; my heart trusts in him, and he helps me. Psalm 28:7

NIV Men face challenges to their faith at work and at home. Daily Strength for Men offers a daily dose of wisdom for men who seek to draw strength from God’s Word. Each devotional covers two days, offering flexibility and freedom to contemplate the message in depth. You will find: a reading that applies to your life inspirational Bible verses from the Old Testament contextual Bible passages and related Scriptures questions for reflection and application, and an uplifting prayer. Daily Strength for Men will equip you to walk faithfully with God—the source of your strength.

The Heart of the Matter

-Peter Salgo, M.D. 2011-10-25

By the head of the Open Heart ICU at Columbia Presbyterian Hospital—an incredibly persuasive and revolutionary approach for lowering the risks of heart
disease -- this plan links high cholesterol and Chlamydia as risk factors and lays out a program to combat both. We are on the cusp of an enormous breakthrough in preventing heart attacks - forever. We are in the same place we were just before penicillin revolutionized the treatment of infectious disease, before fluoride eradicated tooth decay, and just before the polio vaccine brought that disease under control in this country. In The Heart of the Matter, Dr. Peter Salgo, the associate director of the Open Heart ICU at New York Presbyterian Hospital, offers a simple formula to treat people before they get sick, which in turn will prevent heart attacks before they occur. For the first time in history, we know what really causes heart attack. And that knowledge has led Dr. Salgo to this amazingly simple and straightforward program that will save millions of lives. Dr. Salgo recommends using statins, antibiotics, and aspirin to prevent coronary heart disease. This groundbreaking book also offers a self-test that readers can take to assess their own personal risk for heart disease. The Heart of the Matter is the beginning of a change in the treatment of heart disease. It introduces a preventative program that includes traditional diet and exercise guidelines as well as a blanket recommendation that adults, even many young adults, incorporate medicines into the on-going pursuit for health and longevity - something that, until now, seemed impossible to many. Now, without using a lot of indecipherable medical jargon, this invaluable new guide will show you exactly how to attain that longer, healthier life that so many people wish for.

Heart of the Matter-Marta Perry 2010-02-01
Amanda Bodine's Boss is so...bossy! The hard-nosed newspaperman will only assign reporter Amanda Bodine fluff pieces about dog shows. She longs to prove herself with a serious front-page story. But then her own family becomes newsworthy. Suddenly, Ross Lockhart is sitting beside her at Sunday dinner, interviewing her relatives. And he almost seems...like part of the family. Until she realizes he's after information that will tarnish the Bodine name! Time to teach the boss about the real heart of the matter: love.

Heart of the Matter-KI Thompson 2008-04-01
Ellen Webster, professor of history, can't help but fantasize about her next-door neighbor Kate Foster-Naftor all, she sees her on the evening news every night. Sexy and smart, Kate is Ellen's dream girl, but the dynamic TV newscaster doesn't know Ellen exists. Struggling with self-doubt and low self-esteem, Ellen can only watch the parade of beautiful women Kate brings home. But a rainy night and near tragedy change everything when Kate is involved in an automobile accident and turns to Ellen for help. Withdrawing from the world, Kate comes to depend upon Ellen for far more than she realizes until the day Ellen tells her that she is leaving on sabbatical. Ellen and Kate's journey leads them beyond the transitory nature of superficial beauty to the true splendor of the love they hold in their hearts.

Heart 2 Heart Daily Devotional-Dr J Le'Ray 2017-11-15
This unique journal is an intentional journey providing a divine path to HEART transformation! Dr. J. Le'Ray shares her testimony through introspective and authentic self-reflection probes that led to a divine internal SHIFT in her perspectives, leading to a myriad of external implications.

The Heart of the Matter-Arthur Green 2015-04
"Judaism, like all the great religions, has a strand within it that sees inward devotion as an opening of the human heart to God's presence. This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living. The devotional claim, certainly a key part of Judaism's biblical heritage, has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history. This volume represents Rabbi Arthur Green's own quest for such a Judaism, both as a scholar and as a contemporary seeker. This collection of essays brings together Green's scholarly writings, centered on the history of early Hasidism, and his highly personal approach to a rebirth of Jewish spirituality in our own day. In choosing to present them in this way, he asserts a claim that they are all of a piece. They represent one man's attempt to wade through history and text, language and symbol, an array of voices both past and present, while always focusing on the essential question "What does it mean to be a religious human being, and what does Judaism teach us about it?" This, the author considers to be the heart of the matter." -- Publisher's description.
The Heart of the Matter - Darren R. Weissman 2013 Presents advice on overcoming the negative emotions and behavior patterns that stem from the unconscious mind and creating positive habits and mindsets that enhance happiness and physical well-being.

The Heart of the Matter - John D. Loscher 2014-07-26 The heart belonging to Dr. Jacob Rothmann, M.D., Professor of Anatomy and Physiology at Rosalind Franklin University of Medicine and Science is filled with rage. He has yet to recover from being romantically spurned some three decades earlier by the beautiful Melissa Neithaus in favor of his irresponsible roommate, Marty Adkins. Carrying that anger for nearly thirty years blackened his heart beyond reproach. With the cardic physician's spirit completely devoured, he evolves into a repulsive man with no redeeming characteristics whatsoever. But, with Marty dying of congestive heart failure, Melissa re-enters his life? As a renowned cardiovascular surgeon, Dr. Rothmann has the power to do as the woman he still loves with all his heart implores?Save Marty's life. But does he have the heart to do it?

The Heart of the Matter - Olive Whicher 2015-09-11 In this concise and richly-illustrated work, Olive Whicher introduces a radical new science of living organisms, forms and processes, based on the pioneering work of Rudolf Steiner and his pupil George Adams. If we are to understand fully the laws of living nature, she argues, it is necessary to overcome the one-sided ideas of modern science – ideas that are only adequate to describe material forms and forces. We need to widen our thinking to include the ‘etheric formative forces’ – forces that are alive in ethereal space or ‘counterspace’. Such forces work in plants, for example, by drawing matter upwards in a suctional manner, in contrast to the forces of gravity, which draw downwards, and the forces of an explosion, which work upward and outward. This easily-digestible introduction will be valuable to anybody seeking to comprehend the living world around us.

The Heart of the Matter - Susan M. Johnson 1994 Examines the role of affective processes in intimate relationships from the perspectives of various psychotherapeutic traditions. Uses case examples to demonstrate how therapists can address emotion in cognitive-behavioral, systemic, humanistic, experiential, and dynamic ego-analytic approaches. Discusses varied conceptions of emotion, and explores how affective processes can influence the disintegration and repair of intimate bonds. Annotation copyright by Book News, Inc., Portland, OR

The Heart of the Matter - Judith Fisher 2007-12 In The Heart of the Matter, Judith Lynn Fisher celebrates faith, family, and love. These thirty-six poems will touch your heart. The verses in this collection will inspire and uplift even the most discouraged in the toughest of times. For instance, in "You Are Not Forsaken," Fisher writes: Sometimes it seems, to our dismay, our burdens do abound. There’s no apparent helping hand, though you’re searching all around. But in these times of turmoil, trace the corners of your soul, and there you will discover that God’s touch will make you whole. And everyone will enjoy "Cajun Witch," which tells the story of a man who sets out to sea to find his lost love. On the way, he must do battle with a voodoo princess. Fisher writes: In his hand I placed a dagger, by imagination, this is true for he really held no weapon but the strength of love he knew. For he knew not but I knew sure, that true love would win through all, and he plunged right in the middle not knowing this at all. Experience a powerful range of emotions with this fantastic collection that gets straight to The Heart of the Matter.

To the Heart of the Matter - Bert Hellinger 2003 In his courses and seminars Bert Hellinger works with patients to map out family constellations in a highly concentrated form. This book documents for the first time these highly intensive short-term therapies. These sessions provide insights into the hidden realities and broken relationships revealing new perspectives.

meditations that inspire readers to unlock their personal creativity and discover their divine purposes in life. “Melody Beattie gives you the tools to discover the magnificence and splendor of your being.” –Deepak Chopra, author of Jesus and Buddha

**To the Heart of the Matter**-Shawn Carney 2019-12-03

**A Study Guide for Graham Greene's The Heart of the Matter**-Gale, Cengage Learning 2015-09-15 A Study Guide for Graham Greene's “The Heart of the Matter,” excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

**The Particle Odyssey : A Journey to the Heart of the Matter**-Frank Close 2002-07-25 The Particle Odyssey takes the reader on a spectacular illustrated journey to the heart of matter. In clear, non-technical language the authors describe the key experiments and fundamental discoveries which have led to our current understanding of the origins and nature of the material universe. There are individual 'portraits' of all the major subatomic particles, from the electron to the top quark. The authors describe the history of experimental particle physics: its origins in the discovery of X-rays in 1895; the dissection of the atom by Rutherford and others; the unexpected revelations of the cosmic rays; the explosion of new particles in the 1950s and 60s; the discovery of quarks and the rise of the 'standard model' in the last part of the 20th century. And they also look at the great challenges that face physicists today - where did antimatter go? what is dark matter? can there be a theory of everything? - and the experiments they are devising to explore them. The Particle Odyssey brings together and presents with style over 100 of the best images of particle 'events' - mysterious, abstract, often beautiful pictures of the tracks of subatomic particles as they speed, curve, dance, or explode through cloud and bubble chambers, stacks of photographic emulsion, and the giant multi-element detectors of modern experiments. Here are spiralling electrons, the tell-tale 'vees' of strange particles, matter and antimatter born from raw energy, energetic jets of particles spraying out from the decay points of quarks and gluons. A further 250 pictures, many taken specially for this book, illustrate the laboratories, experiments, and personalities of over a century of particle physics.

**The Matter of the Heart**-Thomas Morris 2018-01-16 An eye-opening and heroic story of pioneering heart surgeons, structured around eleven operations. For thousands of years the human heart remained the deepest of mysteries; both home to the soul and an organ too complex to touch, let alone operate on. Then, in the late nineteenth century, medics began going where no one had dared go before. The following decades saw the mysteries of the heart exposed, thanks to pioneering surgeons, brave patients and even sacrificial dogs. In eleven landmark operations, Thomas Morris tells us stories of triumph, reckless bravery, swaggering arrogance, jealousy and rivalry, and incredible ingenuity: the trail-blazing 'blue baby' procedure that transformed wheezing infants into pink, healthy children; the first human heart transplant, which made headline news around the globe. And yet the heart still feels sacred: just before the operation to fit one of the first artificial hearts, the patient’s wife asked the surgeon if he would still be able to love her. The Matter of the Heart gives us a view over the surgeon’s
shoulder, showing us the heart’s inner workings and failings. It describes both a human story and a history of risk-taking that has ultimately saved millions of lives.

**Heart of an Athlete**-Fellowship of Christian Athletes 2006-01-04 Athletes have a passion for sports that makes them unique, viewing life through a competitive lens. The desire to compete and their drive for success can mean seeing friends, family, church, and school as distractions. Usually the first to be sacrificed is their spiritual life. And yet, God does not intend for athletes to go it alone. Heart of an Athlete is spiritual training for the competitor, 120 devotions written specifically for athletes of every level. It goes straight to the issues that matter most to athletes, such as identity, fear, trust, and recognition. This athletic devotional encourages readers to spend regular, short, and meaningful time in God’s Word to help them become true competitors for Christ.

**Corporations in Private International Law**-Stephan Rammeloo 2001 This text provides discussion of the principle of freedom of establishment and focuses on the key issue of determining where a corporation has its ‘seat’ for legal purposes.
